

Cortina .026 Bench

Design by DESIGN BASAGLIA + ROTA NODARI

Stackable flat bench with an archetypal taste, with minimal, manageable and functional dimensions, that can be stored easily in a closed space when not in use. It has a strong impact and aesthetic appeal, and is suitable for outdoor public spaces where it represents a secure shared seat thanks to its ground-fixing system. The Cortina.026 bench is available in various sizes (180 and 120 cm) and is completed by an armchair (of 60 cm). A fresh, contemporary setting with a strong appeal even for the flat version. Hot-dip galvanised steel for outdoor use version.
