**1600 FREESTANDING SHELVES**

Modular freestanding shelves, 1600 mm wide. The shelves, with rounded corners, have trims on both ends that conceal the interior of the profile. Versions up to three shelves high have 250 mm bases. To ensure stability, versions from a height of four shelves on come with 420 mm bases that can be concealed using a cover. It is possible to integrate 400 mm and 800 mm sliding panels, in front or rear position. Combinable with the rest of the Wing shelvings. The maximum recommended height is seven shelves.

BRAND

Systemtronic

Systemtronic is a Spanish brand recognised for its refined approach to functional design. Established in Valencia, the company creates furniture and accessories that balance simplicity, practicality, and visual harmony — ideal for offices, hotels, and public environments.

Every Systemtronic product is made in Spain using high-quality materials such as aluminium, steel, and timber veneers. The brand focuses on clean lines, modularity, and adaptability, ensuring each piece integrates effortlessly into contemporary spaces.

Systemtronic's collections include coat stands, planters, shelving, and accessories that support flexible and well-organised interiors. Their designs promote calm, efficient, and welcoming environments — where function and form work seamlessly together.

Hospitality Furniture Concepts proudly represents Systemtronic in Australia, offering architects and designers access to timeless European design tailored for commercial and public spaces.
