

25' Chair

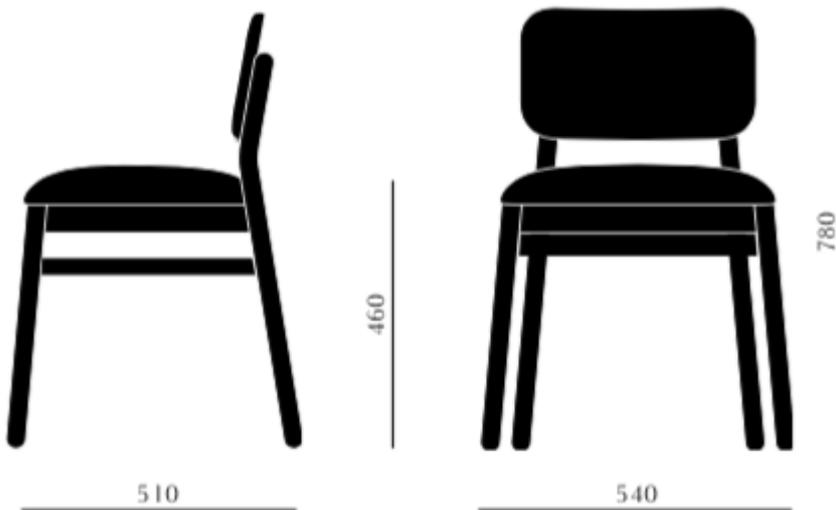

Designed by Erich Cantarutti, the '25' chair includes rounded profile legs and soft lines throughout the backrests, combined with flat timber sections to the frame. The chair's angled stance confers a distinctive appearance. The seat and back are available as timber or upholstered, with the option of hand-woven straw seats and cane backrests. Operating since 1970, SF Collection have continued to supply Italian-made articles manufactured by people who come up with solutions enabling and combining design and product sturdiness.
