

Tigmi A-6010

Paged Meble continues the tradition of one of the most experienced furniture companies in Poland. The history of the company goes back to 1881, when one of the first bentwood furniture factories in the world was established in Jasienica. That location is a symbol of the unprecedented tradition and business continuity of this longest operating furniture manufacturer in Poland, who has been uninterruptedly running and developing its activities for more than one hundred and thirty years.
