

Commercial Furniture Product Data Sheet

Act Chair

The Act Chair is the result of the natural technological evolution of the traditional wooden chair, adapted to more efficient production processes and highly innovative technical developments.

The new Act, with a vintage-style design, is at home in any environment, both interior and exterior. Act responds to the technical and aesthetic needs of the new trends in office furniture, with its design, colour, finishes and accessories. Stackable up to six units.

Suitability: Internal and External

Warranty: 1 year

Project Work

Please note this chair is only available for specification/project work and carries a minimum order quantity of 50 units.
