

ADA CHAIR

The Ada chair's unique stature, designed by Tommaso Caldera, is quaint in design and large in character, combining soft lines of its rounded timber framing with a tri-leg. The log-like shape of the backrest follows the direction of the visible framing it attaches to and can be either upholstered or left as timber.

Operating since 1970, SF Collection have continued to supply Italian-made articles manufactured by people who come up with solutions enabling and combining design and product sturdiness.
