

AKY STOOL IM

Newcomer in the Aky Contract collection: The Aky stool, available in three different heights, completes the collection, making it perfect for turnkey projects in the contract sector. Like the collection's tables, the Aky stools are supported by legs that meet at the centre, giving a sense of tapering lightness. The round wooden seat is also available in an upholstered padded version featuring a coloured central button.

DESCRIPTION:

Base in painted metal, seat in solid ash, removable upholstered cover in fabric. Available in three heights.
