Our new Outdoor settings are constructed from steel tubing that has been galvanised, (application of a protective zinc coating to prevent rust) and finished in a trending matte black powder coat. It's hardwearing and low maintenance making it ideal for outdoor furniture use.

No Beer Garden would be complete without this 3 piece setting. With frames constructed from fully Galvanised Steel, the table and 4 matching stools are topped with Hardwood - making it incredibly strong. It is also resistant to whatever the outdoor elements (and customers or even friends alike) may put it through.
