Additional Information

Your venue's seating area will never be the same again after you install ultra-modern chairs. The chairs feature an eye-catching, angular shape and plenty of contouring along with the backrest, which uses high-density molded foam to support your guests.

This model is also designed so that it does not need to be permanently bolted to the floor. It includes long feet so that no bolts are necessary and they can be removed from the area, perfect for multi-use rooms.
