

ALTITUDE LOUNGE - BACK TO BACK

Altitude is a sophisticated, ergonomically designed furniture range that fits seamlessly into public spaces. Zaneti offers an on-the-go workstation that is convenient and comfortable.

The curved and stylish shape of the pieces would be at home in a hospital as much as in airport lounges, hotel lobbies, or shopping centres. Altitude's innovative design captures attention and offers functionality from the well-known Australian lifestyle company Zaneti.

Zaneti has developed a range of Altitude furniture that surpasses anything seen before, with their public sofas that are accented with neutral colours and durable fabric. The materials are sustainable and have a tidy and clean look with retro-fitted tables that are available to finish the look.

The furniture is treated with anti-corrosion which extends the lifespan and each piece in the Altitude range has a superb finish that is admired for its very professional look and feel.

ZANETTI

Future Proof

Modular Design

The modular beam design allows to re-arrange existing modules or add on. Allowing for changes over time.

Warranty

Made in Australia and serviced locally.

We confidently warranty our products against defects in material and workmanship when properly installed, maintained and used for their intended purposes, backed over 5-years.

Altitude - Modular Lounge System

Designed with space saving in mind.

2410mm

Added comfort in comparison to traditional beam seating

For every 4 seats, Altitude sofa adds only 24cm length - that's just 6cm per seat

2653mm

Ergonomic Excellence

Working smarter, not harder. The Studio features ergonomically designed seating with expertly crafted support and high-density foam upholstery. Its adjustable elements ensure the user can get the most out of their workday, whether standing, sitting, or leaning back.

Proudly Australian Made

The Studio is a locally designed and manufactured furniture collection, offering the highest standards of quality and sustainability. The collection is made from responsibly sourced materials, including FSC-certified timber and recycled steel, ensuring a low carbon footprint and supporting local manufacturing jobs.

Regenerative and Recyclable: By choosing the Studio, you are not only investing in a high-quality piece of furniture, but also supporting a circular economy. The Studio is designed to be disassembled and recycled, ensuring a low environmental impact throughout its lifecycle.

Exceptional Quality: The Studio is built to last, with a focus on durability and performance. The high-quality materials and expert craftsmanship ensure that the Studio is a long-lasting investment in your space.

Available in Multiple Colors: The Studio is available in a range of colors, including the vibrant orange seen in the image. This allows you to choose a color that complements your interior design and adds a pop of color to your space.

Adaptable Design: The Studio's modular design allows it to be configured in a variety of ways, making it a versatile addition to any space. Whether you need a long, low sofa for a lounge or a more compact option for a smaller room, the Studio can be adapted to suit your needs.

Supporting the Australian Furniture Industry: By choosing the Studio, you are supporting a local business that is committed to quality and sustainability. This helps to keep money in the local economy and supports the growth of the Australian furniture industry.

Modular Design

The Studio's modular design allows it to be configured in a variety of ways, making it a versatile addition to any space. Whether you need a long, low sofa for a lounge or a more compact option for a smaller room, the Studio can be adapted to suit your needs.
