

#### ALTITUDE LOUNGE - BACK TO BACK

Altitude is a sophisticated, ergonomically designed furniture range that fits seamlessly into public spaces. Zaneti offers an on-the-go workstation that is convenient and comfortable.

The curved and stylish shape of the pieces would be at home in a hospital as much as in airport lounges, hotel lobbies, or shopping centres. Altitude's innovative design captures attention and offers functionality from the well-known Australian lifestyle company Zaneti.

Zaneti has developed a range of Altitude furniture that surpasses anything seen before, with their public sofas that are accented with neutral colours and durable fabric. The materials are sustainable and have a tidy and clean look with retro-fitted tables that are available to finish the look.

The furniture is treated with anti-corrosion which extends the lifespan and each piece in the Altitude range has a superb finish that is admired for its very professional look and feel.

## About Altitude

Modular system – Snake  
Paired with table and ottoman

Modular Configuration  
Future proof

ZANETTI

## Future Proof

### Modular Design

The modular beam design allows to re-arrange existing modules or add on. Allowing for changes over time.

### Warranty

Made in Australia and serviced locally.

We confidently warranty our products against defects in material and workmanship when properly installed, maintained and used for their intended purposes, backed over 5-years.

Altitude - Modular Lounge System

## Designed with space saving in mind.

2410mm

Added comfort in comparison to traditional beam seating

For every 4 seats, Altitude sofa adds only 24cm length - that's just 6cm per seat

2653mm

### Ergonomic Excellence

Working partner chairs: The curved modular seating designed with expert input supports your body during long meetings. Its adjustable elements ensure the user can get the most out of their workday, promoting productivity and ensuring peak focus.
