

ALTITUDE LOUNGE - BENCH OTTOMAN

Altitude is a sophisticated, ergonomically designed furniture range that fits seamlessly into public spaces. Zaneti offers an on-the-go workstation that is convenient and comfortable.

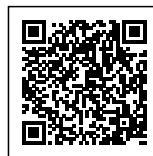

The curved and stylish shape of the pieces would be at home in a hospital as much as in airport lounges, hotel lobbies, or shopping centres. Altitude's innovative design captures attention and offers functionality from the well-known Australian lifestyle company Zaneti.

Zaneti has developed a range of Altitude furniture that surpasses anything seen before, with their public sofas that are accented with neutral colours and durable fabric. The materials are sustainable and have a tidy and clean look with retro-fitted tables that are available to finish the look.

The furniture is treated with anti-corrosion which extends the lifespan and each piece in the Altitude range has a superb finish that is admired for its very professional look and feel.

This modular sofa can be configured to your liking and comes with a black or white powder-coated metal frame and die-cast aluminium legs.

The seats are made of modular units of polyurethane foam for upholstery and can be purchased with or without a backrest. Additionally, the seats can have a closed corner at 90 degrees or an open and closed corner at 45 degrees. When placed in a double row, a sound-absorbing back panel can be added to provide the necessary privacy while sitting on the sofa.

ZANETTI

Future Proof

Modular Design

The modular beam design allows to re-arrange existing modules or add on. Allowing for changes over time.

Warranty

Made in Australia and serviced locally.

We confidently warranty our products against defects in material and workmanship when properly installed, maintained and used for their intended purposes, backed over 5-years.

Altitude - Modular Lounge System

Designed with space saving in mind.

2410mm

Added comfort in comparison to traditional beam seating

For every 4 seats, Altitude sofa adds only 24cm length - that's just 6cm per seat

2653mm

Ergonomic Excellence

Working longer hours? The Evoke modular seating system is designed with experts to support your body during long working hours. Its adjustable sections ensure the user can get the most out of their sitting experience, promoting comfort and reducing back strain.

Proudly Australian Made

The Evoke is a modular seating system designed and manufactured in Australia, offering the highest standards of quality and sustainability. The collection is made from premium materials, including responsibly sourced timber, ensuring a long and comfortable life.

Regenerative and Recyclable: By choosing the Evoke, you are also choosing a product that is designed to be recycled. The collection is made from premium materials, including responsibly sourced timber, ensuring a long and comfortable life.
