

ALTITUDE - BENCH OTTOMAN

Altitude is a sophisticated, ergonomically designed furniture range that fits seamlessly into public spaces. Zaneti offers an on-the-go workstation that is convenient and comfortable.

The curved and stylish shape of the pieces would be at home in a hospital as much as in airport lounges, hotel lobbies, or shopping centres. Altitude's innovative design captures attention and offers functionality from the well-known Australian lifestyle company Zaneti.

Zaneti has developed a range of Altitude furniture that surpasses anything seen before, with their public sofas that are accented with neutral colours and durable fabric. The materials are sustainable and have a tidy and clean look with retro-fitted tables that are available to finish the look.

The furniture is treated with anti-corrosion which extends the lifespan and each piece in the Altitude range has a superb finish that is admired for its very professional look and feel.

This modular sofa can be configured to your liking and comes with a black or white powder-coated metal frame and die-cast aluminium legs.

The seats are made of modular units of polyurethane foam for upholstery and can be purchased with or without a backrest. Additionally, the seats can have a closed corner at 90 degrees or an open and closed corner at 45 degrees. When placed in a double row, a sound-absorbing back panel can be added to provide the necessary privacy while sitting on the sofa.

About Altitude

Modular Configuration

Future proof

The modular beam design allows to re-arrange existing modules, or add on. Allowing for changes over time.

The strong frame is designed to have large opening under seat without the need for a middle leg, allowing for baggage storage and sleek appearance.

Designed with space saving in mind.

2410mm

**Added comfort in comparison to
traditional beam seating**

**For every 4 seats, Altitude sofa adds only
24cm length - that's just 6cm per seat**

2653mm
