

ARDEN 1800

Clean lines. Clear purpose.

The **Arden 1800** is a dedicated cleaner's station designed for back-of-house and public maintenance areas where function and presentation must align. Built with precision detailing and a robust structure, Arden 1800 brings order and refinement to an often overlooked part of the environment.

Customisable in size, finish, and configuration, it accommodates **cleaning equipment, waste storage, and consumables** in one unified unit. Available in **timber, laminate, or powder-coated finishes**, it blends durability with design integrity — ideal for shopping centres, food precincts, and transit hubs.

Specifications

- Configuration: cleaner's station with integrated storage and bin housing
- Capacity: compatible with 90 L, 120 L, or 240 L bins
- Materials: steel, laminate, or timber finish
- Access: hinged or key-lock doors
- Options: shelving, internal dividers, signage, and custom branding
- Lead time: 4–6 weeks
- Made in Australia

Built for public environments

With over a decade of experience in commercial furniture design, the **Arden 1800** is engineered to endure constant use while maintaining a professional appearance. Its modular design ensures each unit can be adapted to site-specific requirements — delivering both performance and aesthetic coherenc
