

# Art, Abe and Arne

---

Art, Abe and Arne are a family of tables with different functions, a side, end and coffee table, all made from recycled material. Each table is produced in solid cork with a section removed to create storage spaces. When grouped together the tables appear to take on their own characters, similar yet individual, like a group of relatives; Art, Abe and Arne. Dimensions

**ART001**  
346x346xh420mm

**ABE001**  
500x500xh400mm

**ARNE003**
