BRAND

Accento

Proudly made in Italy, Accento secures only the finest materials, capable of fully expressing the values of craftsmanship and creativity of its products. Beech and oak seasoned for the right time in the open air and stabilized in autoclave, high quality fabrics with a full choice of textures and colors. Upholstery is an art made of patience and experience. The fabric adds a touch of elegance to the wood, dressing the soft padding as a custom fit dress with hand-sewn stitching.
