

Ascent

Ascent takes airport and passenger terminal furniture to new heights of freedom and flexibility.

Ascent is a modular beam seating system, easy to set up and customize, to bring a captivating and inviting charm to any terminal area. Using straight, curved, and concave shapes, you can create unique seating arrangements tailored to the specific location.

Ascent's gentle curves, smooth textures, and sustainable wood also contribute to creating a warm and welcoming atmosphere that encourages passengers to sit down and relax.

Hospitality Furniture Concepts is the exclusive distributor of Green Furniture Concept for airports and passenger terminals in Australia.
