

BARDOT LE CB UPH

BARDOT extends its style to include new frames and new pastel and vibrant shades. The new '50-style Bardot Collection is pleasantly soft and graceful in design, with solid volumes, rounded lines and a remarkable overall sense of harmony. Available in a wide range of upholsterys, including fire-retardant fabrics, wool, velvet, leather and faux leather, Bardot is the ideal choice both at home - in the kitchen, dining room or study - and in public spaces. The rounded wooden legs of the stool and of the armchair with padded armrests echo the soft lines of the original Bardot chair. The new lounge chair, with its more generous dimensions, fits gracefully into public environments, such as bars, restaurants, halls, waiting rooms, and informal meeting rooms.
