

BARDOT MET CB UPH

BARDOT MET stands out for its elegance and brightness, extending its style to include new frames, pastel and vibrant shades, and refined, contemporary finishes. The frame of the new chair and stool is lighter, through the use of clean-lined, metal rod legs. The armchair also features a new frame, fitted either with metal rod or padded armrests for greater comfort. The new lounge chair, with its more generous dimensions, fits gracefully into public environments, such as bars, restaurants, halls, waiting rooms, and informal meeting rooms. The new '50-style Bardot Collection is pleasantly soft and graceful in design, with solid volumes, rounded lines and a remarkable overall sense of harmony. Available in a wide range of upholsteries, including fire-retardant fabrics, wool, velvet, leather and faux leather, Bardot is the ideal choice both at home - in the kitchen, dining room or study - and in public spaces. The Bardot collection includes a standard chair, a lounge chair and a stool, all available in wood and metal, and customizable in many different finishes and colours.
