

BENKO A-8130

A family of bentwood chairs with a visual language of the Thonet world. Benko is the first contract model entirely designed for Bentwood since 150 years. The family is characterised by a disciplined form relating to traditional bentwood furniture.

The collection has a strong character thanks to its originally shaped armrests whose soft lines provide a touch of feminine expression. The seat and backrest are filled with hand-made pleat. This way the contemporary design of the furniture combines two unique and vanishing technologies. The Benko family covers an armchair and a chair with and without armrests, intended for cafés and restaurants, according to Thonet's tradition.
