

## Bernù Aero Lounger

---

The Bernù Aero Lounger is ergonomically sculpted to provide superior support over long waiting periods. The seat's contoured metal profile, high-back, footrest and plush padding provide exceptional comfort and durability for high-traffic waiting areas, allowing passengers to lounge and relax.

- Compatible with any Bernù Aero beam mounted seating system
- Upholstered pads are seamless for maximum service life
- Modular system allows any seat or back pad to easily be replaced without disassembling the whole seat
- Available with or without arms and all legs have adjustable leveling glides
- Seats and backs are roll formed steel covered with injected molded foam
