

ATLAS BOOTH

Atlas is designed to bring sleek character into the modern space.

A half-circle backrest provides a cloud-like feeling of comfort and its rounded contour allows a carefully selected upholstery's details to catch the eye. A powder-coated, steel tube frame flows with the curved seat and backrest.

How it works

Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see below).

Standard unit dimensions

			
Height	Depth	Unit length	Seat height
890 mm	590 mm	Custom	450 mm

ADDITIONAL INFORMATION

Leadtime	5 – 6 weeks
Material	Upholstered
Price	More than 500
