

Rose Booth

Curved lines and minimalism define the Rose.

The low-positioned backrest resembles a floating capsule, offering a comfortable lumbar support and simplistic yet modern design. The upholstery is integrated with a powdercoated, steel tube frame, mirroring the round elements of the cushions.

How it works
Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see below).
