

## Santorini Booth

---

The Santorini booth is a staple channeling European influence through its soft, natural-look materials. The streamlined upholstery of the Santorini closely hugs its natural timber framing, appearing as an almost seamless extension. A slightly angled backrest permits a more comfortable form. The open design of the base allows it to stand proudly and blend without the visual sacrifice of space.

**How it works**  
Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see below).
