

#### SCHNITZ BOOTH

Using an exposed-look timber frame and a minimal profile throughout its form, the Schnitz works with many elements for a raw and striking design.

The frame is clad with Australian Messmate timbers, where dark gum vein details are mirrored by the Schnitz's black kicker panel. The backrest is angled for comfort, giving the Schnitz a unique characteristic. Can be utilised as stand-alone linear units or in a back-to-back configuration.
