

SCHNITZ BOOTH

Using an exposed-look timber frame and a minimal profile throughout its form, the Schnitz works with many elements for a raw and striking design.

The frame is clad with Australian Messmate timbers, where dark gum vein details are mirrored by the Schnitz's black kicker panel. The backrest is angled for comfort, giving the Schnitz a unique characteristic. Can be utilised as stand-alone linear units or in a back-to-back configuration.

How it works

Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see below).
