

## CANTHA

Set of hangers that provide the spaces with a practical as well as beautiful complement. Following the philosophy of the search for organic and natural, these sinuous shapes have been created that give the design a touch of elegance and originality, spontaneously recalling dew drops.

Cantha coat racks, made of aluminum, are suitable for any interior design trend due to their wide availability in 4 sizes, 11 colors and with the possibility of adding a natural oak veneer.

#### BRAND

## Systemtronic

Systemtronic is a Spanish brand recognised for its refined approach to functional design. Established in Valencia, the company creates furniture and accessories that balance simplicity, practicality, and visual harmony — ideal for offices, hotels, and public environments.

Every Systemtronic product is made in Spain using high-quality materials such as aluminium, steel, and timber veneers. The brand focuses on clean lines, modularity, and adaptability, ensuring each piece integrates effortlessly into contemporary spaces.

Systemtronic's collections include coat stands, planters, shelving, and accessories that support flexible and well-organised interiors. Their designs promote calm, efficient, and welcoming environments — where function and form work seamlessly together.

Hospitality Furniture Concepts proudly represents Systemtronic in Australia, offering architects and designers access to timeless European design tailored for commercial and public spaces.
