

#### COSMOS TABLE C100 (MARBLE) - DINING

A collection of tables with a bold presence and various top pairings, designed to encourage gathering and shared moments.

The form of Cosmos is one of simple geometries: with its frame, it spreads its extruded metal bars upwards and outwards to support the top material, offering a reliable structure suitable for domestic and commercial applications.

In its marble format, it is available in two height configurations, with two signature marble surface colours - Verde Guatemala and Rosso Levanto. The frame is coated in our signature textured finish.
