

## Cosmos Table C105 (HPL) - Dining

---

The Cosmos Table C105 HPL Dining is a commercial dining table designed for restaurants, cafés, bars and hospitality venues. Its clean geometric form and robust construction make it ideal for high-traffic dining areas and shared seating spaces.

The HPL (high-pressure laminate) top delivers a durable surface that resists scratches, stains and daily wear-and-tear. Supported by a sturdy frame, this table delivers reliable performance in indoor and sheltered outdoor settings.

Available in multiple finish options, the Cosmos Table blends modern design with functional strength. It suits casual dining, hotel restaurants, breakout spaces and communal tables in busy hospitality environments.
