**CROMA PAPER BIN**

Made of aluminum and available in two different sizes, with a capacity of 110 and 170 liters, these paper bins are not just containers; they are a statement of commitment to recycling and sustainability.
Featuring clearly differentiated compartments, they make the task of separating waste easy. Their clean and modern design not only seamlessly integrates into any environment but also challenges the traditional perception of waste bins as unattractive elements.

BRAND

Systemtronic

Systemtronic is a Spanish brand recognised for its refined approach to functional design. Established in Valencia, the company creates furniture and accessories that balance simplicity, practicality, and visual harmony — ideal for offices, hotels, and public environments.

Every Systemtronic product is made in Spain using high-quality materials such as aluminium, steel, and timber veneers. The brand focuses on clean lines, modularity, and adaptability, ensuring each piece integrates effortlessly into contemporary spaces.

Systemtronic's collections include coat stands, planters, shelving, and accessories that support flexible and well-organised interiors. Their designs promote calm, efficient, and welcoming environments — where function and form work seamlessly together.

Hospitality Furniture Concepts proudly represents Systemtronic in Australia, offering architects and designers access to timeless European design tailored for commercial and public spaces.
