

CUBA 621N

Cuba is a family of seats in steel and polypropylene made using the injected air-moulding technology, born for the public market. Simple and sober lines lend Cuba a universal character, suitable for any context, indoor and outdoor. Steel twists and turns as a frame around the seat, with a non-usual technique of metal folding.

BRAND

et al

Metalmobil, a company specialising in furniture for public structures, changed its name to Et al. in March 2019. This natural evolution for the Marche-based company merged its 60-year-old artisan and industrial heritage with high design. Et al.'s objective is to design modern, versatile, [high-quality furniture](#) that helps people enjoy their spaces to the fullest. The company has undertaken a series of collaborations with established and emerging designers, who enrich the catalogue with new, functional, sustainable and attractive furnishings in line with contemporary needs. Thanks to its far-sighted vision, Et al. is an international leader in high-end furniture for the [contract sector](#), focusing on offices, restaurants and lounge areas. Et al. is part of the Marche-Romagna IFI S.p.A. group, a leader in furnishings and technologies for the Food & Beverage sector.
