

# Decibel

---

## PREMIUM AUDITORIUM & THEATRE SEATING

Decibel is a refined auditorium and theatre seat designed for performance venues, lecture theatres, cinemas and presentation spaces. Its contemporary form blends functional design with comfort for long sessions in high-traffic commercial environments.

Decibel features a breathable, ergonomically contoured backrest that promotes airflow and user comfort over extended use. The seat marries practicality with visual clarity, making it suitable for modern auditoriums and lecture halls.

## THOUGHTFUL DESIGN

- Contoured breathable back for enhanced comfort and airflow
- Aluminium alloy armrests for strength, clean lines and a refined finish
- Stylish shell profile that integrates with contemporary interiors
- Commercial upholstery options that support durability and easy care

## BUILT FOR COMMERCIAL VENUES

Designed to suit both tiered and flat-floor layouts, Decibel combines robust construction with a subtle architectural presence. Its materials and finishes are chosen to withstand heavy use while maintaining aesthetic continuity with theatre and auditorium fit-outs.

Decibel is ideal for theatres, educational lecture halls, cinemas, performing arts centres and other spaces where design, comfort and practicality are required.
