

Dennis - ribbed

PREMIUM AUDITORIUM & THEATRE SEATING

Dennis Ribbed is a fixed auditorium and theatre seat built for lecture halls, performance spaces and presentation venues. Its ribbed seat profile and durable construction deliver comfort and longevity in high-use environments.

The refined upholstery and structured frame provide support during extended events, while thoughtful detailing creates a polished finish suited to education, corporate and cultural interiors. Ideal for universities, training rooms, auditoriums and conference spaces that require reliable, well-designed seating.
