

DITTO OTTOMAN

The Ditto modular sofa system offers a versatile seating solution, constructed from a minimal number of modules. This design enables the sofa to adapt seamlessly to various spaces.

Ditto is designed to be accessible from all sides, eliminating the concept of a "back" and providing flexibility in placement within a room.

Constructed with FSC-certified plywood and moulded foam, Ditto ensures durability and comfort.

How it works

Create a truly unique interior for your space through our custom booth and banquette manufacturing process, where we will assist you in finding the perfect seating solution. Each design carries specific unit lengths, which can be lengthened and customised to suit any application.

To get started, we'll need to know:

- Your selected **booth style**;
- The intended seating capacity/**configuration** of the space;
- Your personal touches, selected from available **upholstery** and **framing finishes** (see below).

Standard unit dimensions

ADDITIONAL INFORMATION

Leadtime	8 – 12 weeks
Material	Upholstered
Price	More than 500
