

DRESS_CODE Fashion

The new DRESS_CODE armchair is inspired by the canons of haute couture, playing with the combinations of colours between structure and seat, with the indoor and outdoor fabrics patterns, and with their upholstery: in addition to the smooth and flat fabric version, there is a quilted version in big squares, and a padded, wave-shaped version. The quilting and padding are both an aesthetic element and a source of greater comfort. A headrest cushion is available as an accessory, also with a fabric cover.
