## DUMBO

---

### Side table and coffee table

The perfect synthesis of two materials, Dumbo and Dumbo Doppio are a coffee or side table that stand out in any room they are placed in.

The legs are empty for lightness and made by a single cast of concrete. The table top is a laser cut sheet of metal made out of brass, inox steel, or iron. The iron finishing can be powder-coated to achieve any custom finishing colour.

Use: indoor / outdoor.

Designer: Valerio Ciampicacigli

Make and materials: concrete, steel / iron / brass.

Colours:

Concrete: ardesia, perla, ombra, custom.

Metal: white, iron, black, copper, brass.

Dimensions:

Dumbo: diam60 - H33.

Dumbo Doppio: L120 - D60 - H33.
