

ECHO TABLE

Introducing Echo, the striking new table design by Gabbertas Studio, where modern elegance meets versatile functionality. Crafted from painted metal, its cylindrical base finds repetition in the thinner stem, creating a harmonious silhouette that seamlessly blends stability and aesthetic appeal. The option to customize the lower base and the top-stem combination in two different colors adds a playful touch, allowing spaces to express their individuality. Its welcoming design invites conversation, fostering connections in vibrant environments while standing as a testament to the modern design aesthetic that captivates the eye, offering versatility for both indoor and outdoor use. Experience the harmony of form and function like never before.

Painted metal table structure with base diameter Ø 45 cm. Round or square top. Indoor or outdoor use.

BRAND

Traba

TrabA' provides a reinterpretation of contemporary design, creating a unique style that does not merely follow in the wake of the latest trends, but offers an authentic way of living each and every space. The [chairs and tables](#) of the TrabA' collection arise from a fundamental requisite: to create a calibrated hybridization of tradition, modernity and innovation. The project was designed by emilio nanni for TrabA'. The designer has conducted an in-depth research into the concepts chair and table, reflecting on their archetypes and developing a new form of essentiality for this collection. The result is a series of universal products suited to the domestic and contract furniture markets and particularly suitable for bright and welcoming environments, eager for objects that add a touch of style and prestige, as well as a contemporary look, to private and collective living spaces. The wide range of seats on offer convey a sense of modernity with a twist, combined with a tangible quality reflected in a meticulous attention to detail and finishes, for a range permitting great versatility of use.
