

EDITH STOOL LE

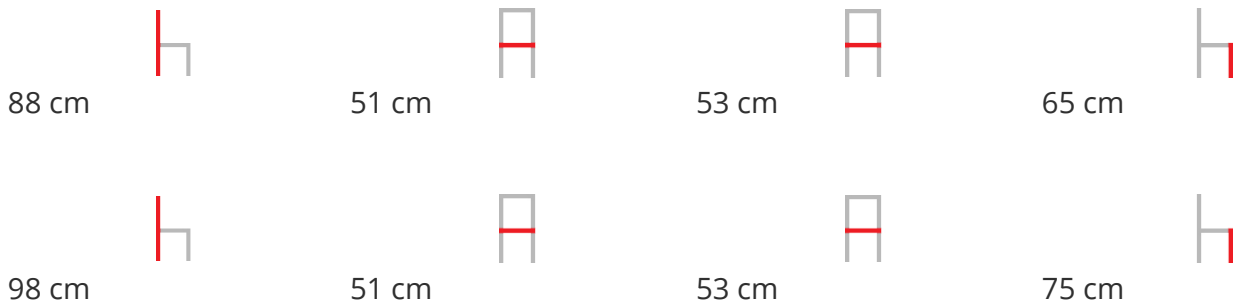

The collaboration between Trabà and the designer Massimo Broglio continue: this year he proposes for Trabà an evolution of Edith: the beech and ash chair soar and its legs with circular section are thinner to the ends, the backrest reduce and the seat bends slightly. Many different shades of colour and with various types of padding and features simple and understated Scandinavian styling, making Edith the ideal chair for both home environments, for example around the peninsula in the kitchen, and large public projects.

DESCRIPTION:

Beech or ash structure, plywood seat.
