

EMBARQ

The sleek clean design of emBARq provides a functional work surface and charging station for public areas.

emBARq is available as a free-standing table or wall-fastened. Since all electrical components are certified to UL standards, emBARq only requires a single power source.

Versatile Power Sources

emBARq provides multiple AC, USB-A, and USB-C power sources across the length of the units for convenient, safe, and universal charging.

Universal Design

emBARq is available in a wide range of widths and lengths with ADA-compliant height.

UNIVERSAL DESIGN

emBARq is available in a wide range of widths and lengths with DDA or ADA -compliant height.

Wireless Charging Pods are embedded underneath the table surface for seamless integration.

A convenient bag hook is located at each end of the units for passengers to keep their belongings at sight.

Versatile Power Sources

emBARq provides multiple AC, USB-A, and USB-C power sources across the length of the units for convenient, safe, and universal charging.

BRAND

Arconas

Your Trusted Source for Airport and Passenger Terminal Furniture

Arconas is the leading manufacturer and distributor of high-performance furniture for airports and passenger terminals in North America. With more than 50 years experience, we're dedicated to enhancing the passenger experience from departure to arrival with our comprehensive suite of seating, power, waste, recycling, and counter solutions. Our products are purposefully designed to the highest standards of durability, comfort and safety to satisfy the needs of travelers and terminal operators alike. **Airport Furniture Experts** Our team is committed to working closely with architects, designers, airlines and terminal operators to help achieve each airport's unique objectives. Since our inception in 1972, we have completed more than 400 airport installations at major hubs worldwide. We are a long-standing, active member of the Airports Council International, the American Association of Airport Executives and the Airport Consultants Council. We have been recognized as one of Canada's Best Managed companies, a distinction for which the company has re-qualified for year over year and now hold Platinum Status. We are also ISO 9001:2015 and ISO 14001:2015 Certified.
