

Encore

COMMERCIAL AUDITORIUM & THEATRE SEATING

Encore is a commercial auditorium and theatre seat designed for performance venues, lecture theatres, cinemas and conferencing spaces. Built for durability and lasting performance, Encore suits high-traffic, fixed seating installations in corporate and educational interiors.

Designed for extended use, Encore balances ergonomic comfort with a refined profile that fits modern venue design. The seat structure supports long sessions with reliable foam retention and a resilient tip-up seat mechanism.

PERFORMANCE & DESIGN

- Commercial grade auditorium seating system
- Durable internal steel frame and tip-up seat
- High-density moulded foam for comfort and resilience
- Upholstered back and seat for comfort and acoustics
- Row mountable for tiered or flat floor layouts

SPECIFICATION OPTIONS

- Wide choice of commercial fabrics and vinyls
- Optional armrests, writing tablets and number plates
- Custom row lengths and aisle layout configurations
- Compliant with fire and accessibility standards

Encore is suitable for theatres, universities, cinemas, council chambers and lecture halls where comfort, durability and fixed seating performance matter.
