

Ferrago - MD

FIXED LECTURE THEATRE & AUDITORIUM SEATING

Ferrago MD is a fixed auditorium seat designed for universities, training rooms and performance venues. It combines long-term comfort with a strong, stable frame suited to high-use environments.

High-density moulded foam provides consistent support, while the premium upholstery resists stains and wear. Timber armrests add a refined finish, and the quiet return mechanism ensures smooth operation between sessions.

Ideal for lecture theatres, corporate auditoriums and conference spaces requiring durable, low-maintenance seating.

Overall Dimensions: 660W x 840D x 1030H mm
