### *Comfortable. Timeless. Elegant.*

This is what public seating was meant to be. Flyaway is the best-selling Arconas seating system, with more than 100 leading airports already embracing its classic design and superior performance. Flyaway offers high backs, effective lumbar support and thick cushions; footrests and drinkholders. It's the new global standard in airport seating, but it's anything but standard.

Flyaway passes the most rigid fire standards in North America CAL 133 and in Europe (British Standard-5852).

Flyaway is also available with an optional built in Amulet® Ballistic Barrier.
