Metal Wood Grain Conference Table

Added:

Designed for modern commercial environments, this table combines durability with a refined woodgrain aesthetic—ideal for meeting rooms, hospitality, and flexible workspaces.

Added:

- Metal frame with plywood table top and laminate surface
- Woodgrain-effect finish for a solid timber look
- Foldable H-leg structure for easy storage and transport
- Optional integrated charging ports
- Standard size: L1830 × W900 × H750 mm
