

Greta G200-DW

Where Form Meets Character

Where form meets character, Greta's geometries are shaped in service of the human form. Every line has intent. Every curve supports comfort.

The Greta collection of commercial chairs and stools brings refined simplicity to hospitality, workplace and public environments. Its clean lines and confident silhouette create presence without excess. Subtle detailing gives depth, while balanced proportions ensure ergonomic support.

Designed for cafés, restaurants, hotel dining, bars and collaborative spaces, Greta delivers both visual clarity and everyday durability. It pairs strong structure with comfort, making it suited to high-traffic commercial settings.

With discreet elegance and practical performance, Greta adapts across dining rooms, meeting spaces and hospitality interiors. It is a seating solution built for projects that demand both design integrity and commercial reliability.
