

Hey Side Table

With its handle on top, the idea behind the Hey side table is obvious – bring me along! Hey is now available in a new set of colours in a smooth finish.

A tray with legs and a handle, enabling you to bring your coffee cup as well as the table along when moving around the coffee shop. The table is an alternative to traditional coffee tables, which are often big, heavy and immobile. This is a fun table for modern life.

Dimensions

440mm (handle height: 58cm)

Order Quantity

Minimum of 12 units

Materials and Finishes

Powder coated sheet steel and steel tube. The new colours have a smooth finish.
