

Jules Low Chair

Designed by Tommaso Caldera, the Jules Low chair brings styling of the Jules to a wider frame. It features a meticulously crafted, rounded bentwood timber frame, which extends from one rear leg to the opposite side in a seamless design. The backrest showcases a distinctive flattened timber extension which is also curved. The timber seat can be optioned with upholstered padding.

Operating since 1970, SF Collection have continued to supply Italian-made articles manufactured by people who come up with solutions enabling and combining design and product sturdiness.
