

JULIE IMB Armchair

The Julie collection is the skilful reinterpretation of the archetype of the chair and stool in which memory, quotation and contemporaneity come together in a new seat. The combined effect of the formal cleanliness of the structure combined with the simplicity of the materials, with a wide range of colors and finishes, amplify the mood between memory and contemporaneity. A transversal proposal to create welcoming domestic settings or furnish contract spaces.

DESCRIPTION:

Beech upholstered seat with armrests
