

FLAT Kiribilli Table Base KX30

This AUTO-ADJUST KX30 Table Base is built for maximum stability and style. Made from cast iron, our KX range of bases are complemented by a textured finish. One of our most popular table bases worldwide

- This classic design makes swapping out your existing tables simple
- Can support table-tops up to 1050mm/42in whilst providing unrivalled stability
- All FLAT table bases contain our PAD technology to stabilise tables and align table tops
- A zinc coating option is also available to help protect against weathering
