

#### KOALA OPEN

Koala is an indoor chair with a gentle, enveloping design, created to respect the body's ergonomics and offer maximum comfort.

Its structure consists of a tubular metal ring that defines the seat and supports the backrest, forming a distinctive and harmonious element that highlights the shape and its potential. Developed in two versions, it is available with a padded tub-style seat, offering a softer and more refined look, or with a tubular-frame padded backrest, a more essential version with a graphic and informal edge.

#### BRAND

##### Scab Design

A great capacity of creation and attention to detail inherited from a long tradition make SCAB Design a symbol of **Italian production**. Extraordinary objects, which take shape from the principles of beauty and functionality. Infinite research for the perfection of matter, which has resulted in exclusive recognition by Bayer by granting us a licence to use the Makrolon®, brand name from now on Covestro made with Makrolon. Quality and style for home design and for the indoor and outdoor contract sector. A unique touch, to transform the ideal into the material.
