

Linea 4, Metal Chair

The Linea 4 Chair is a commercial seating solution designed for modern workplace environments. With a refined silhouette and durable frame, it suits meeting rooms, collaborative spaces, breakout areas and shared office settings.

Engineered for daily commercial use, the Linea 4 Chair offers ergonomic comfort without visual bulk. Its clean lines and balanced proportions complement contemporary office interiors, from corporate boardrooms to flexible workspace fit-outs.

Available in multiple finishes, this chair integrates easily into architectural workplace projects where durability, consistency and repeat specification are required.
